ILLUSION, WONDER & YOU This stand-up show will keep people talking about you and your event for years to come! The forty-five minute act is for audiences of 25 to 1000 or more. Stunning and inspiring magic includes advanced sleight of hand manipulation, special effects, uplifting audience participation and grand illusions (guillotine and / or a floating woman). The show is self-contained with lights, PA, wireless sound and beautiful music. The theme and length of the show can be customized to your event and is perfect for banquets, cabaret, stage, clubs, community groups, schools, religious organizations, retirement communities and benefits.

STROLLING CLOSE-UP MAGIC David moves among smaller groups of your guests to share apparent miracles only inches in front of them and even in their hands. It is great for successful parties, receptions and restaurants who want to create a memorable and successful atmosphere.

THE PARTY SHOW This is a thirty minute show of fun, amazing magic for smaller, private audiences. It can even be done in a living room. Options include Grand Illusions and animal balloons for children when appropriate.

GRAND ILLUSIONS David can bring a memorable and spectacular flair with his heroic guillotine or by helping a volunteer suspend herself in mid-air - for a small additional fee.

MASTER OF CEREMONIES Assure yourself of a great event by having David present a customized set of magic and humor as Master of Ceremonies for your next event. He can customize the magic to suit the purpose of your function. This is a very effective way to blend multiple presentations with fun, wonder and variety.
